Sweet Treat Pouches

Looking for a nice way to give your neighbors a sweet surprise? How about a way to reward your children for being little angels? Or maybe you want to leave a surprise for a coworker who went the extra mile on a project? Without breaking the bank, you can leave a special treat just to let them know you are thinking of them. Everything you need can be bought for \$1 each at Dollar Tree, and your random act of kindness will certainly be cherished by its recipient.

Shop at Dollar Tree – Here's What You'll Need:

- 4-ft. Length of Ribbon
- Cellophane Bag or Wrap
- Filler – Candy and Other Small Goodies

Easy Step-by-Step Directions:

1. Fold the length of ribbon in half to form a loop.
2. Tie the ends of the ribbon into a knot leaving about a foot between the knot and the loop.
3. Place the fillers on the cellophane and gather the edges to create a pouch with the goodies in the bottom.
4. Place your pouch on the knot in the ribbon. Gather the two free ends of ribbon around to the front of the cellophane pouch and tie them together to form a pretty bow.
5. Drape the loop over a doorknob and leave as a gift for the recipient.
