

## Popsicle Party Invitations

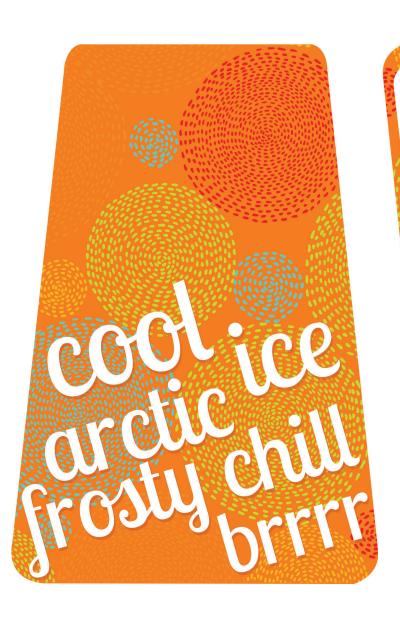

Pass these adorable invitations out to friends for a summer birthday, holiday barbecue, or just a night to "chill out" together! Just print out the free printables, cut them out, and glue or tape the front and back sections to our popsicle sticks for a hint of delicious times to come!

## Fun Tip:

 Have these invites inspired you to have a good, old-fashioned ice cream social? Hunt for the Ice Cream Cone Balloons on this month's Value Seekers Club page to add some "cool" decorations to your party!
