

Value Seeker of the Month

Sandy & Wayne from Cocoa, FL

Every month we feature one lucky Value Seekers Club member and their story so we can all get to know each other... that's why we call it a "club"! This month's Value Seekers are Sandy and Wayne from Cocoa, Florida. Here's a little bit about them:

"Dollar Tree Store is a blessing to our ministry. It is affordable and the employees have always been friendly and helpful when we shop there. We are very fortunate to have several stores in our Brevard County area to shop.

There are so many items that we love buying, not only for others but ourselves as it is really hard to pick out one item that is my favorite but I will share how excited I got when I found this item.

I am a Volunteer Director for Samaritan's Closet Thrift Store which is a free thrift store for Veterans, Homeless and anyone in need. We assist people with free resources, free haircuts, clothing, furniture and my husband teaches a Bible Class for anyone that would like to attend. One of my favorite items came in when we first opened and I was so excited, it was a grabber for clothes items. I bought all they had in the store where I was shopping as some of our racks are higher to reach and what a surprise to me when I saw them, I really got excited. This was one item I never thought I would see at Dollar Tree.

Being a Children's Church teacher, I find so many wonderful bargains at Dollar Tree that I can afford to buy for the children when we do crafts, or when I let them pick from our treasure chest box after class is over. They get so excited with the different types of treasures I put in the box.

We would not be able to afford the items that we get for our Homeless Veterans and our Homeless people if it were not for Dollar Tree. The flashlights, batteries, and blinking lights and locks for their bicycles are a blessing. The can openers, duct tape, soap, fingernail files, shampoos, conditioners, balloons and cards for their birthdays or special occasions are also a blessing. I could go on and on with other items, but there are so many to mention.

I joined the Value Seekers Club to see what other people have to share with the blessings they have received, too.

Thank you for this wonderful store, we appreciate the labor of love and may God continue to bless in the success of assisting others."
