Puttin' on the Glitz Christmas Tablescape

If your Christmas isn't complete without some sparkle and glam, then try this contemporary glitzy tablescape on for size. Start with a solid black tablecloth... this will really make all your colors pop! Then using just one or two accent colors, layer on the glitz with shimmery \$1 plate chargers, sparkly \$1 ornaments, and \$1 tinsel covered trees. So easy, so affordable, and oh, so glamorous!
