Easy Step-by-Step Directions:

1. Need a quick decorating fix? Frame a holiday gift bag (or a portion of one) or some gift wrap to add a little cheer to your home during the holidays.
2. Get the kids involved and frame an advent calendar printable so you can count down the days until Christmas. (Need an advent calendar? Hunt for our **Santa's Countdown to Christmas Printable** on this month's Value Seeker's Club page)
3. Take a plain frame and wrap it with ribbon to jazz up your family's holiday photos.
4. Add photos and a piece of ribbon to smaller frames and use them as Christmas tree ornaments... these make great gifts for family and friends.
